

Greenwich Central School

"Scholarship, Character, Community - Cultivating the Future"

H1N1 District Level Plan

The following actions have occurred in response to the predicted reemergence of the H1N1 virus:

- Following Department of Health guidelines.
- Review of District and Building guidelines with administration and nursing staff.
- The hanging of awareness poster throughout the district.
- Beginning of the day monitoring of student health with direction to call the building nurse with concerns.
- Letter home outlining district procedures and recommended responses for parents.
- Good cleaning practices by custodians.
- Hand cleaner and disinfectant made available to staff.
- Review of good hygiene procedures with students, K-12.
- Review of good hygiene procedures with coaching staff.
- Review of good hygiene procedures with staff (Right To Know Workshop attendance).
- Update of information on the www.greenwichcsd.org website.
