When do I start applying to colleges?

How important is this essay anyway?

How big will my college loans be?

When are applications due?

Which college is best for me?

Who can I practice interviewing with?

Should I work & go to school?

Should I look for schools out of state?

How many colleges do I apply to?

Do I have to declare a major now?

When is FAFSA due?

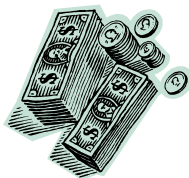

Is a private or public college the best choice for our child?

How will we ever get through this FAFSA form?

Should we encourage a two yr. or a four year college first?

How many colleges should we visit with our child?

How much should we contribute to college costs?

How many of the deadlines should our child be responsible for?
