Tests and quizzes:

Tests will be given approximately every two weeks. In preparation for the NYS 7th grade exam tests will be cumulative. You may be required to make test corrections.

Homework Quizzes:

I will check your understanding of the daily homework assignments with a few questions covering the content of the previous day's homework.

Homework:

Homework is checked daily and counts toward your effort grade. Practice (homework) is a key to success and you are expected to complete homework on a daily basis.

Binder:

Organization is a key to success. You will be required to maintain your binder.

Participation:

You have knowledge and insight that the entire class can benefit from. I expect that you will share this insight with your classmates through participating in the lesson and working cooperative with your peers.
