Apply Today for Lely's 2024 Future of Dairy Scholarship!

The future of the dairy industry depends on the development of a strong group of experts entering the industry. The Lely North America *Future of Dairy Scholarship Program* provides financial assistance to future leaders in support of their educational endeavors.

SCHOLARSHIP DESCRIPTION

In 2024, Lely North America is proud to announce it is expanding the Future of Dairy Scholarship Program to include college and high-school students.

HIGH-SCHOOL SCHOLARSHIPS: Four, one-time/non-renewable, \$500 scholarships will be awarded to deserving, qualified students who are legal residents of the United States or Canada. Students must be planning to pursue an agriculture related degree at a two- or four-year college during the 2024-2025 academic year.

COLLEGE SCHOLARSHIPS: Two, one-time/non-renewable, \$1,500 scholarships will be awarded to deserving, qualified students who are legal residents of the United States or Canada. Students must be enrolled at an accredited institution of higher education for the 2024-2025 academic year and participating in a program that can equip them to contribute to the dairy industry.

- Dairy Technology - This scholarship is open to students pursuing degrees in robotics, automation, and/or precision ag that have a passion and desire to work in the dairy industry. The student must have at least freshman college status at the time of application.
- Dairy Industry - This scholarship is open to students pursuing an agriculture degree with a desire to work in the dairy industry. The student must have at least freshman college-status at time of application.

SEE SPECIFIC REQUIREMENTS FOR EACH SCHOLARSHIP BELOW.
