ENGINEERING SCHOLARSHIP APPLICATIONS AVAILABLE

Nikhil Bodhankar, PE, President of the Capital District Chapter of the New York State Society of Professional Engineers, announces the availability of scholarships to young people pursuing engineering as a career. The Chapter is offering scholarships ranging from \$1,000 to \$2,500 to students who attend an ABET-accredited college or university engineering program.

Additional information and scholarship applications may be obtained by visiting the Chapter Website (www.capdistpe.org/fldweb/schol.htm) or by contacting Nikhil Bodhankar nbodhankar@bergmannpc.com. Applications for the Chapter Award must be postmarked on or before April 1, 2022.

Interested students may also wish to apply for scholarships being offered by the National Society of Professional Engineers. Information on these scholarships is available at the NSPE web site: <http://www.nspe.org/Students/Scholarships/index.html>

The Capital District Chapter is a member of the New York State Society of Professional Engineers. Headquartered in Albany, NY, the State Society is a charter member of the 70,000 member National Society of Professional Engineers and has twenty three local chapters representing approximately 2,000 licensed engineers from all disciplines (mechanical, electrical, chemical, civil, etc.) working in construction, government, private practice, and education. NSPE programs and activities include efforts to improve the overall quality of engineering practice, pre-college guidance, and scholarship.

Application forms available at:

www.capdistpe.org/fldweb/schol.htm

(Postmark before April 1, 2022)
