RE: Scholarship Opportunity for Prospective Civil Engineering Majors

On behalf of the Mohawk-Hudson Section of the American Society of Civil Engineers (ASCE), we would like to offer your qualifying graduating seniors a scholarship opportunity. Each year the Mohawk-Hudson Section offers scholarships to graduating seniors seeking to continue their education with the goal of becoming a practicing civil engineer. This year we are offering two (2) 4-year, \$1,000 per year scholarships!

We invite you to share this invitation with your graduating seniors who intend to enroll in an ABET accredited Civil Engineering curriculum leading to a Bachelor of Science Degree. Applicants who intend to enroll in a certified two-year Civil Engineering Technology program with the intent of transferring to an ABET accredited school to obtain a bachelor's degree also qualify. We highly encourage all qualifying students from your school to submit an application.

Two winners will be selected from all the qualifying applications received. Judging for the awards will be conducted by our section's scholarship committee. The scholarship is planned to be presented to the winners on May 10th, 2023, at 5:30PM at the Italian American Community Center during the section's annual dinner meeting.

Attached to this letter is an application with response instructions. Please copy this and make it available to all interested graduating seniors. Applications with essay and transcript must be postmarked by **Friday April 7th, 2023**. Applications should be submitted to:

2023 ASCE Mohawk-Hudson Scholarship Committee
c/o Maureen Merson
1 Frear Ave
Troy, NY 12180

Should you have any questions or concerns please feel free to contact me via email at mmerson@labellapc.com. Electronic copies of the scholarship application are available by request.

Sincerely,
2023 ASCE Mohawk-Hudson Scholarship Committee
