

## Future Technician Scholarships for High School Seniors

We would like to share an exciting opportunity for high school seniors interested in a future in the heavy-duty truck industry. The Technology & Maintenance Council (TMC) of American Trucking Associations (ATA) has several scholarship opportunities for those seniors who want to further their education. The organizations below have generously provided scholarships for which your student(s) can apply:

- **University of Northwestern Ohio** in Lima, OH. Tuition scholarship, up to \$20,000.
- **Lincoln Tech** – locations include Denver (CO), Nashville (TN), Indianapolis (IN), Grand Prairie (TX), East Windsor (CT), and South Plainfield (NJ). Four half-scholarships available.
- **Western Technical College** in El Paso, TX. Two fifty percent scholarships available.
- **WyoTech** in Laramie, WY. Three Diesel Technology program scholarships for \$5,000.
- **Universal Technical Institute** – locations include Avondale (AZ), Long Beach (CA), Rancho Cucamonga (CA), Sacramento (CA), Austin (TX), Houston (TX), Dallas (TX), Lisle (IL), Exton (PA), Orlando (FL), Miramar (FL), Canton (MI), Bloomfield (NJ), and Mooresville (NC). Four half-scholarships are available.

Please help spread the word – scan the QR code and share the scholarship link with your local high school or urge a senior you know to apply. **Applications are due April 15, 2024, and scholarships will be awarded May 15, 2024.** Applications are available at <https://tmc.trucking.org/scholarships>.

### Scholarships Available for High School Seniors!

Please help to spread the word – scan the QR code and share the scholarship link with your local high school, or urge a senior you know to apply (deadline is 4/15)!
